OFFICE OF LEGISLATIVE COUNSEL

Thursday - 2 August 1962

25X1 1. [] called regarding the
inquiry from John Buckley, in the office of Representative Dante B.
Fascell, [] Douglas said that Headquarters knew of no
25X1 "problem" involving [] however, at my request Douglas is going
25X1 to query JMWAVE.

2. [] Commo, and I attempted 25X1
to see Representative Oren Harris, Chairman of the House Commerce
Committee this morning prior to the Committee's hearings on H.R. 11732
to advise him of our interest in this legislation. Harris had just returned
from Arkansas the night before and did not come into his office before
going to the hearing. I did, however, talk with Kurt Borchardt, of the
Committee staff.

Later in the afternoon, Mr. Leahy, State Department Congressional
Liaison, who attended the hearings, said he thought Borchardt had advised
the Chairman of our interest in the bill and perhaps nothing further was
needed from us. Leahy is checking on this and will let us know.

25X1 3. [] At his request, I dropped by the office
of James Boyd, Administrative Assistant to Senator Thomas J. Dodd,
and picked up a letter addressed to Mr. McCone and marked Personal
and Confidential. The letter was given, unopened, to Mr. Elder who
said he would deliver it to the Director.

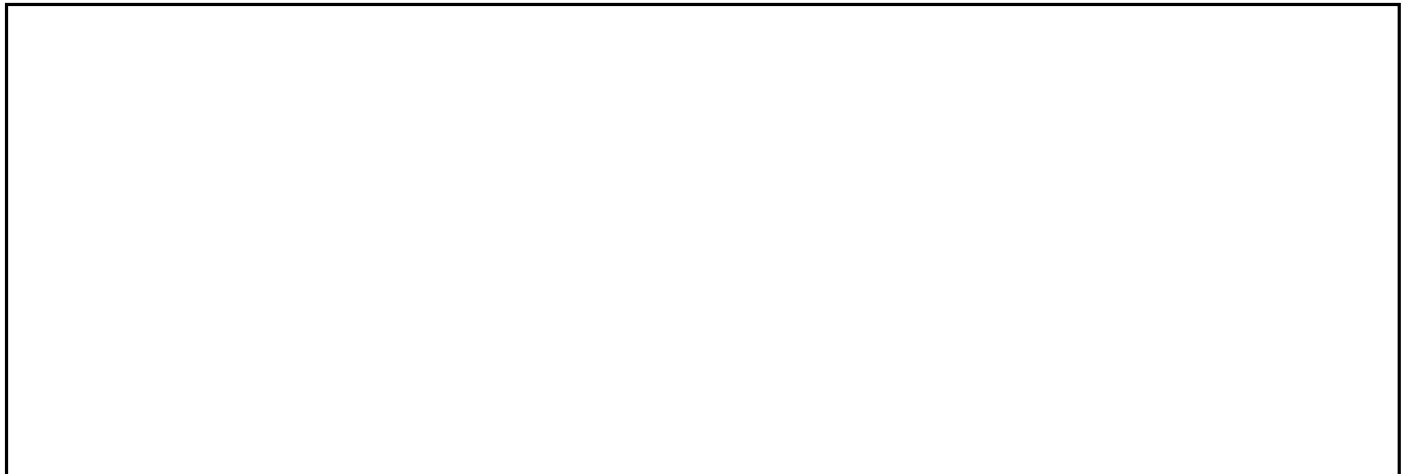

25X1 4. [] Talked with Bill McHale, in the office of
25X1 Senator George Smathers, concerning correspondence he had received from
[] and suggested that
they handle this letter to the Senator in a routine fashion. I gave the same
advise concerning correspondence which McHale had brought to our attention
which the Senator had received from [] McHale thanked
me for this information. 25X1
